

SCHEDULE A:

CURRICULUM AMENDMENTS: COURSES

Course Concept Proposal - CCP (Changes requiring new course)	Significant Course Curriculum Proposal - SCCP	Course Amendment (amendments that do not meet the conditions for SCCP)	Consequential Amendment ⁱ (does not require independent SCCP or timeline exemption if acquired by parent)	Administrative Amendments ⁱⁱ
Changes to award type at same AQF level	Fundamental change of course structure, where no disadvantage results for students transitioning into the new structure and or where Teach out arrangements are in place	Requirements of an award	Any amendment to a course, specialisation, major or unit which is required as the result of the creation, amendment or removal of another accredited course, specialisation, major or unit	Textual and editing changes to maintain accuracy and currency, that do not result in a change to the content or meaning
Change to AQF level	Impacts expected outcomes, or representation of expected outcomes for students or the broader community	Schedule of Units		Corrections for obvious clerical, typographical, grammatical, and numbering errors
Change from coursework to research award	Represents a strategic change to the University's course offerings (Eg. Addition or removal of an approved delivery mode or location)	Course Progressions		Updating references due to changes in position or work unit titles; organisational structure; legislation; and regulatory bodies
Change in volume of learning		Non-Standard Admission Requirements / Language Requirements		
Changes that would result in loss of accreditation or recognition by any external accrediting body		AHEGS		
Fundamental change of course structure where the majority of current students cannot transition without disadvantage, and the current structure will not be taught out.		Non-Standard Advanced Standing		
Change to Course Title*		Professional Accreditation		

* Requires new course for TCSI purposes; in isolation of any other change, this can be actioned administratively with Chair AB and PVCAI approval

CURRICULUM AMENDMENTS: UNITS

New Unit <i>(Changes requiring new unit)</i>	Unit Amendment <i>(each one, in isolation, is a Unit amendment)</i>	Consequential Amendmentⁱⁱⁱ	Administrative Amendments^{iv}
Change in Credit Point value of a unit	Title	Any amendment to a course, specialisation, major or unit which is required as the result of the creation, amendment or removal of another accredited course, specialisation, major or unit	Textual and editing changes to maintain accuracy and currency, that do not result in a change to the content or meaning
